Underwood Family Farms

Fall Harvest on the Farm

Open every day 9am-6pm
Weather and farm conditions permitting.
Activities subject to change at any time.

www.underwoodfamilyfarms.com

We may limit walk-in admissions to maintain a safe experience which will result in a delay to your entry to the farm.

Masks are required over the nose and mouth for ages 3+ at check-in/check-out, on wagon rides, in Animal Center and in the Farm Markets. At all times, groups must maintain 6 feet physical distancing. This equals two rows of separation in the pick-your-own fields or one horse length in pumpkin patch. **Anyone without a mask will not be permitted on to the farm and may be asked to leave if not in compliance.**
